

ANNUAL REPORT 2025

Instituto Universitario de Investigación Mixto
Agroalimentario de Aragón
Universidad Zaragoza

WHAT IS IA2?

The **AgriFood Institute of Aragon (IA2)** is a Research Institute formed by researchers from Universidad de Zaragoza, Centro de Investigación y Tecnología Agroalimentaria de Aragón (CITA), Estación Experimental Aula Dei (EEAD-CSIC), Instituto Pirenaico de Ecología (IPE-CSIC) and Universidad San Jorge (USJ).

IA2's mission is to promote high-quality scientific research and technology transfer with the greatest positive impact on the agrifood sector, helping it to become more sustainable, competitive and innovative, and enabling it to provide society with safer and higher-quality food products.

PERSONNEL

The **AgriFood Institute of Aragon (IA2)** is comprised of 391 members:

- 280 PhD Researchers
- 88 Early-Stage Researchers Under Training
- 25 Administrative and Technical Staff
- 47 Research Groups

IA2 IN NUMBERS

4 DEPARTMENTS:

Department 1 - Plant Science and Sustainable Systems

Department 2 - Animal Science

Department 3 - Food Science and Technology, Nutrition and Health

Department 4 - Agrifood and Environmental Economics

RESEARCHERS

- **47** Research Groups
- **13** Research Lines
- **9** Strategic Research Lines (LEIs)

- **43** Technological Offers
- **7** Scientific Services

IA2 IN NUMBERS

FUNDS MANAGEMENT:

Contracts and Agreements: 3.05M€ (32%)
329 contracts (73 CITA/258 UNIZAR)

National/Regional Projects: 5.4M€ (58%)
256 projects (96 CITA/228 UNIZAR)

European Projects: 0,9M€ (10%)
37 projects (20 CITA/20 UNIZAR)
