

ANNUAL REPORT 2022

Instituto Universitario de Investigación Mixto
Agroalimentario de Aragón
Universidad Zaragoza

WHAT IS IA2?

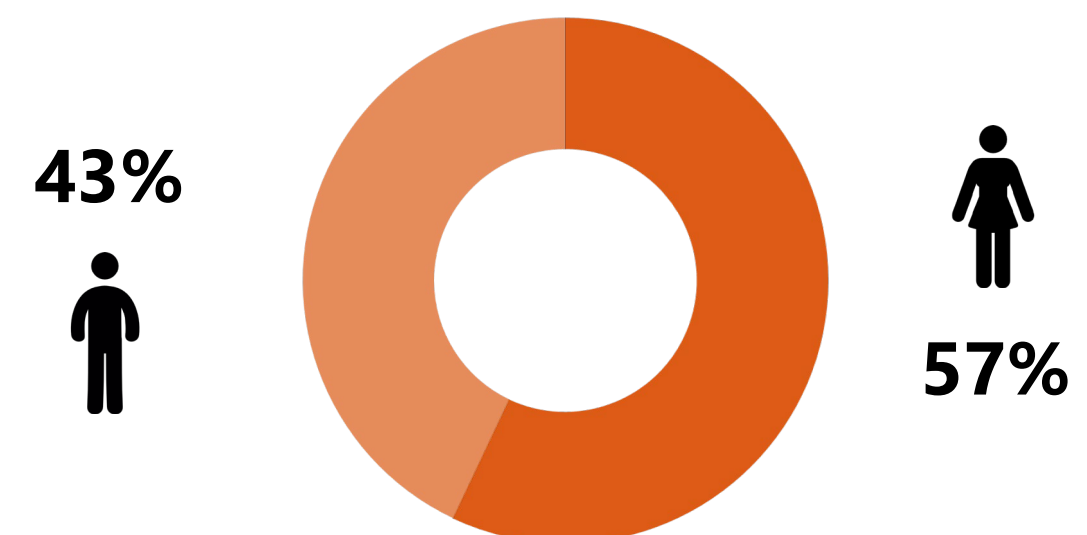

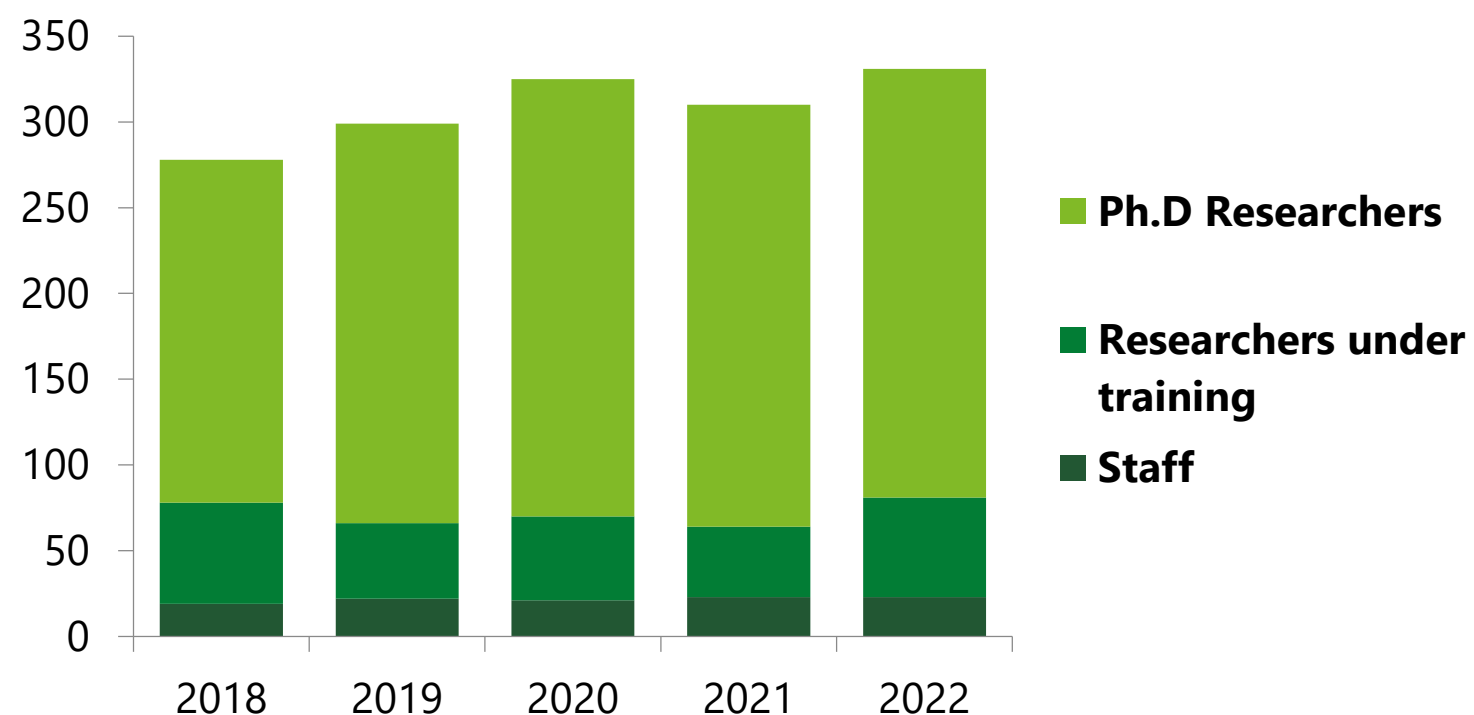

The **AgriFood Institute of Aragon (IA2)** is a Research Institute formed by researchers from Universidad de Zaragoza, Centro de Investigación y Tecnología Agroalimentaria de Aragón (CITA), Estación Experimental Aula Dei (EEAD-CSIC), Instituto Pirenaico de Ecología (IPE-CSIC) and Universidad San Jorge (USJ).

IA2's mission is to encourage high-quality scientific research and technology transfer with the greatest positive impact on the agrofood sector, helping it to become more sustainable, competitive and innovative, and enabling it to provide society with foodstuffs of better quality and greater safety.

PERSONNEL

The **AgriFood Institute of Aragon (IA2)** is comprised by 331 members:

- 250 Ph.D. Researchers
- 58 Researchers Under Training
- 23 Administrative and Service Staff
- 40 Research Groups

IA2 IN NUMBERS

4 DEPARTMENTS:

Department 1 - Production of Raw Materials of Vegetable Origin

Department 2 - Production of Raw Materials of Animal Origin

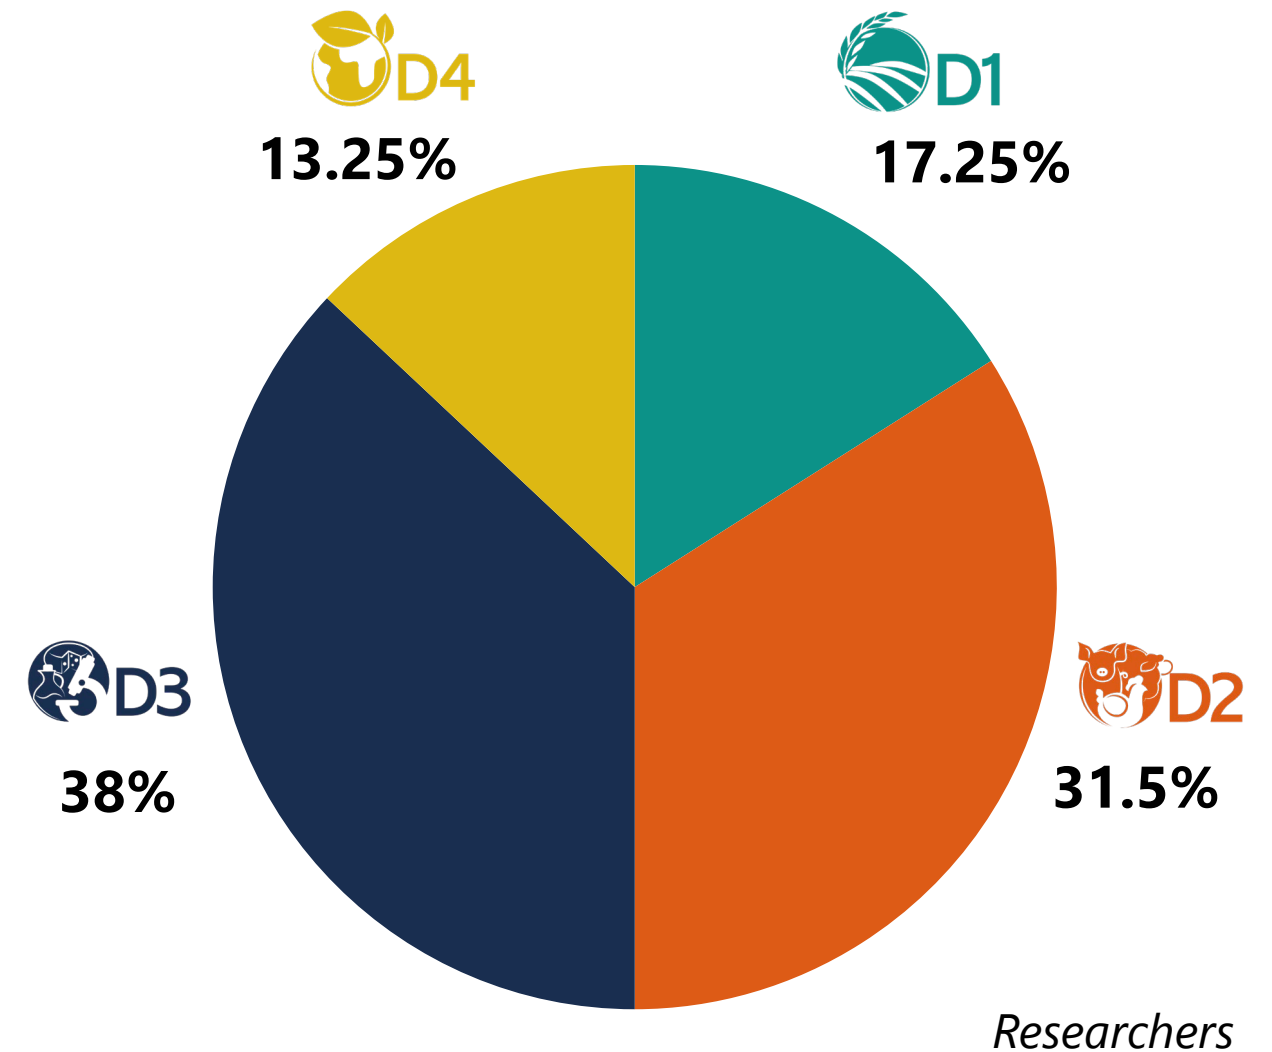

Department 3 - Food Science and Technology

Department 4 - Agrofood and Natural Resource Economics

- **40** Research Groups
- **13** Research Lines
- **6** Strategic Research Lines (LEIs)

- **22** Technological Offers
- **3** Scientific Services

IA2 IN NUMBERS

FUNDS MANAGEMENT:

Contracts and Agreements: 3.06M€ (37.2%)
345 contracts

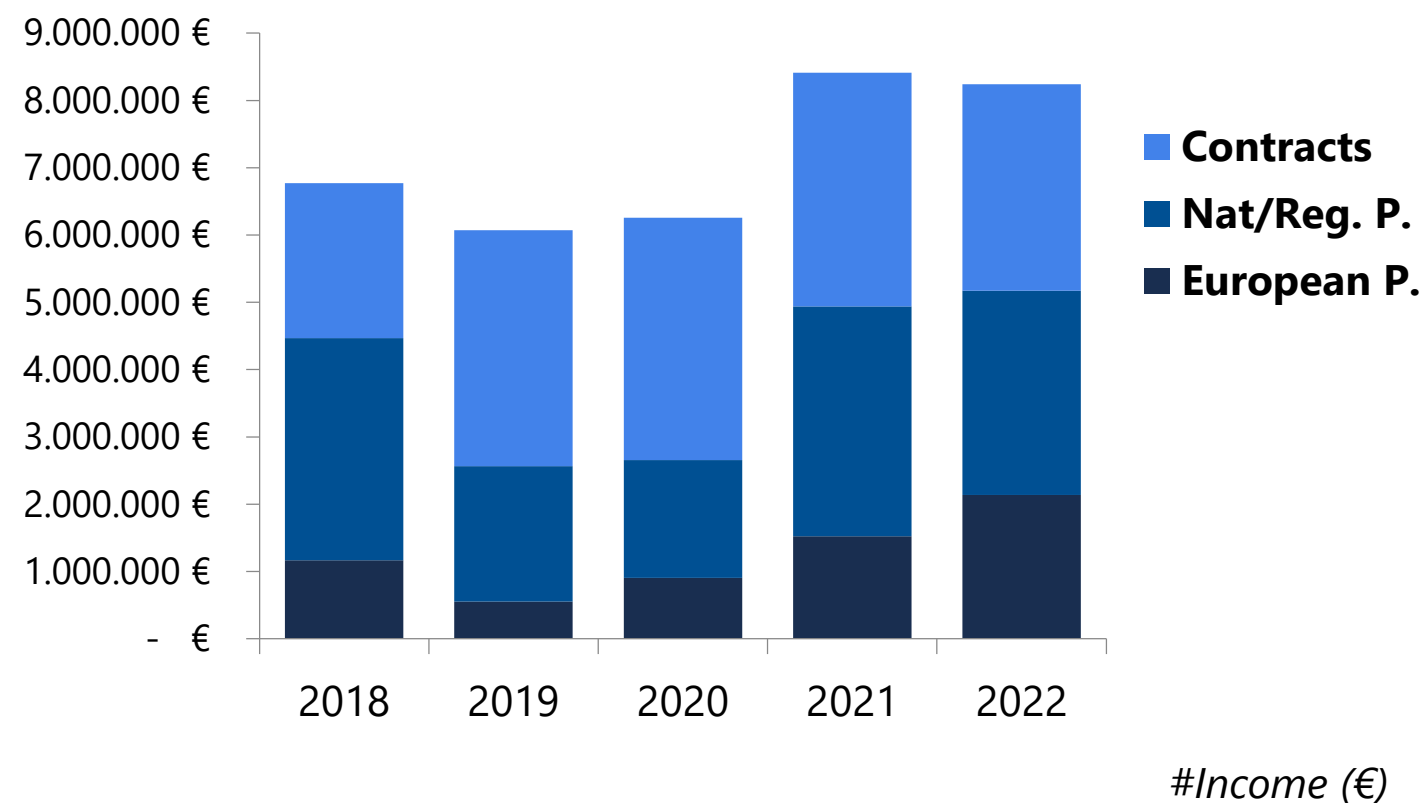

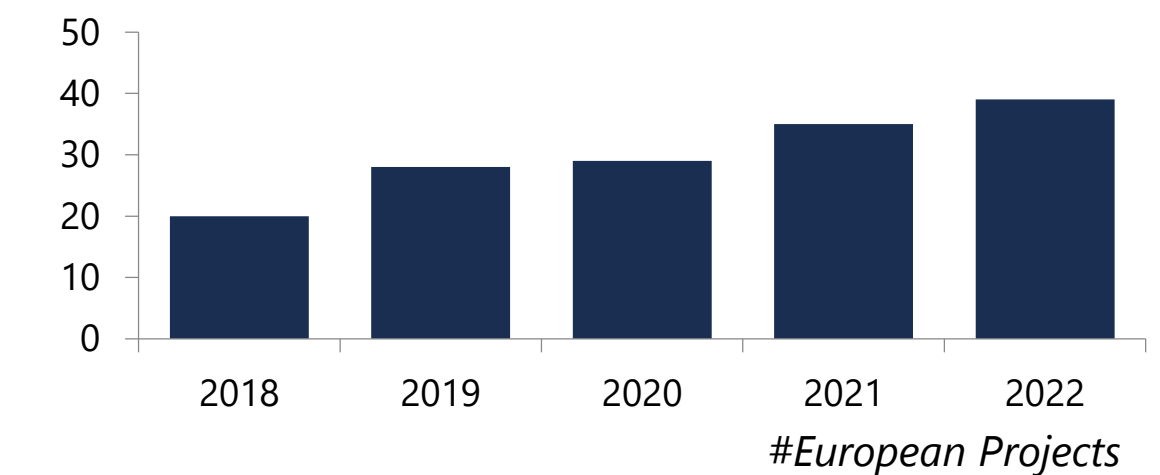

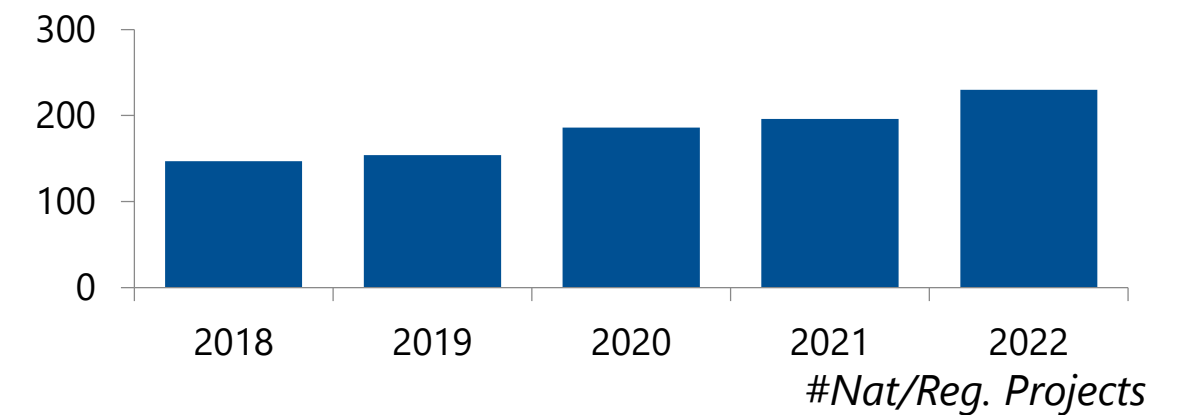

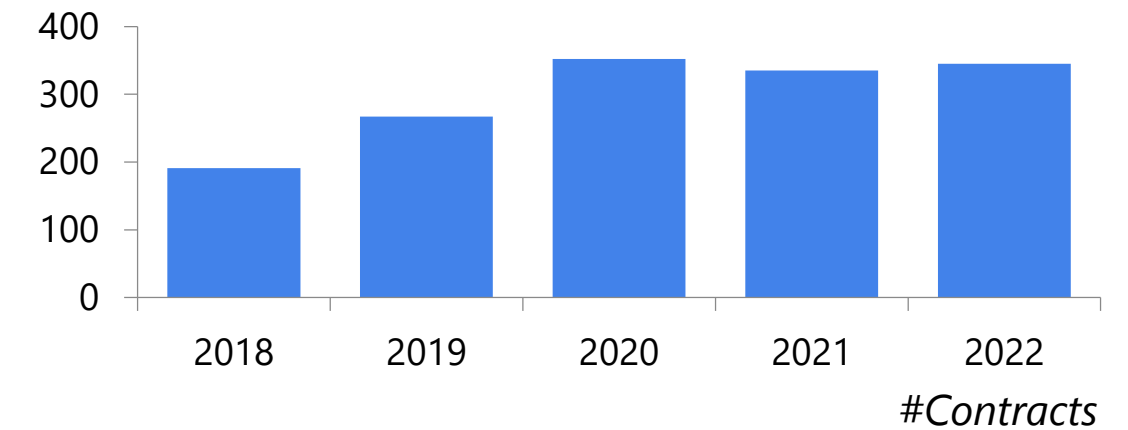

National/Regional Projects: 3.03M€ (36.9%)
230 projects

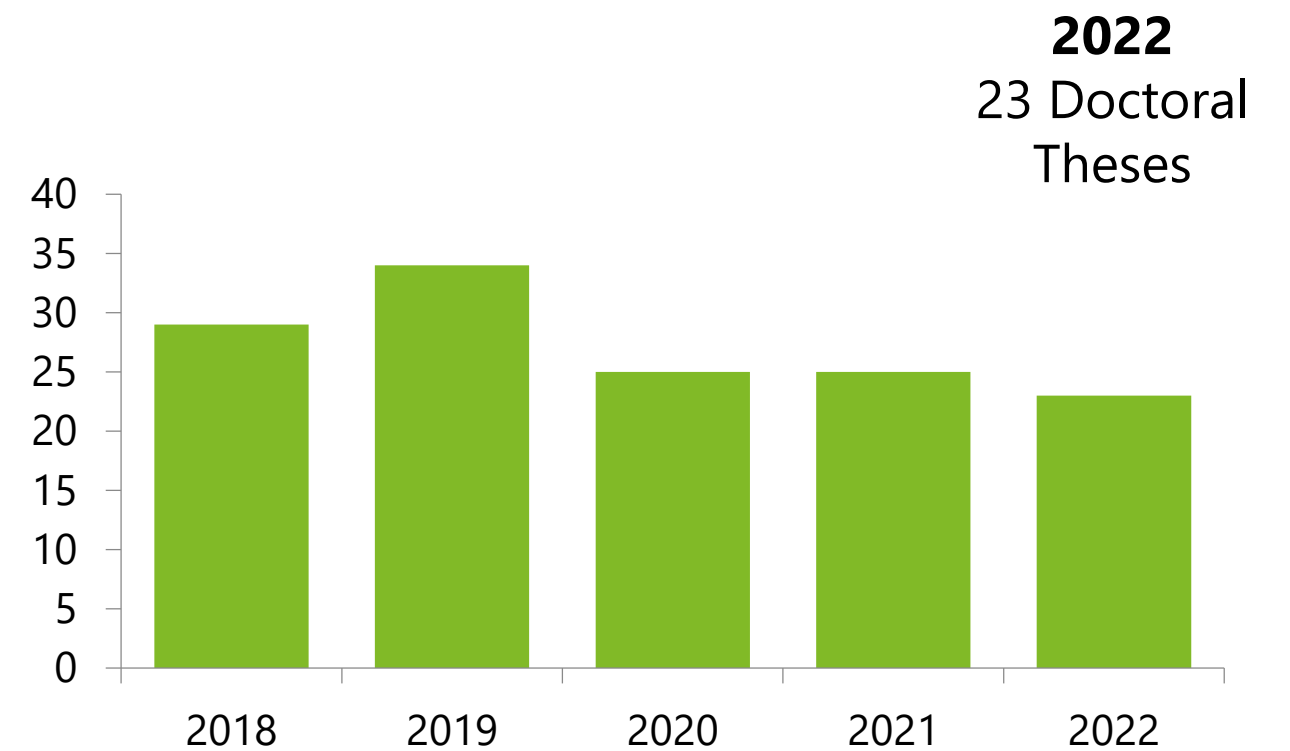

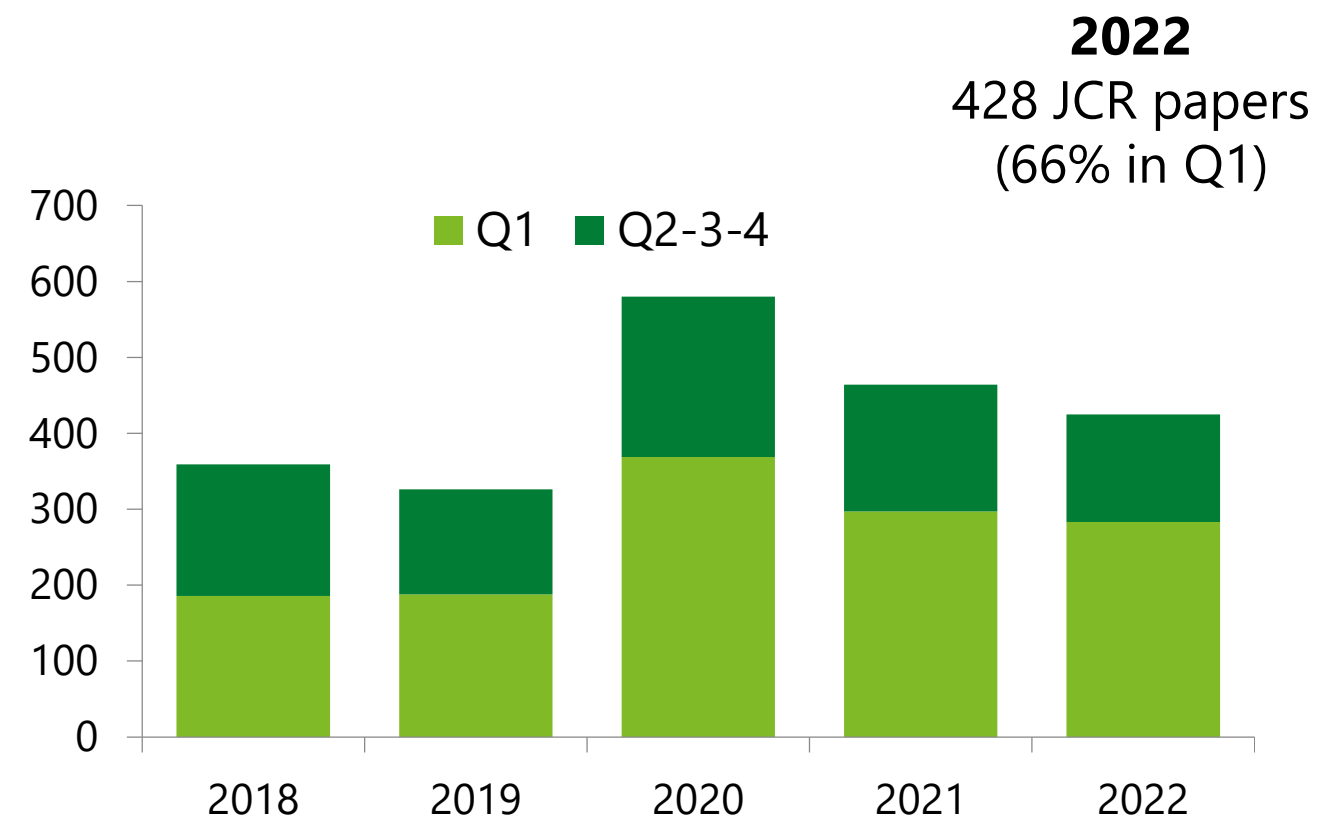

European Projects: 2.1M€ (25.9%)
39 projects
